Chicago Grain
Chicago, April 24.—Fresh rain-falls are reported today from Nebraska and Kansas and caused the wheat market to take a downward bound. Selling was not heavy and the buying demand was light on the dip. Advances that seedling for the spring crop had made progress in the Dakotas and Minnesota tended to favor the bears. Prices opened unchanged to 1-5c lower, raised a little and then underwent a moderate general ease.

The close was steady, 1/2 to 3/4 net lower.

Slowness of cash inquiry both here and in the southwest had a depressing effect on corn. It was denied that Argentine sales were being cancelled. After opening a shade to 1-4c at 3-3c down the market eased off all around.

The close was steady at a decline of 1/2 to 3/4 net.

Cash weakened on account of the rains. About the only demand came from cash houses.

Provisions suffered from lack of support. Firmness in the hog market was virtually ignored.

Closing prices.

Are Colds Catching?

It is claimed that most colds are catching as measles and that one should avoid the association of anyone who has a cold. Never permit anyone who has a cold to kiss your child. Avoid crowded cars and poorly ventilated sleeping rooms. When you take a cold, get rid of it as quickly as possible. Chamberlain's Cough Remedy used as directed will enable you to throw it off quickly and permanently. That preparation always cures and is pleasant and safe to take. For sale by all druggists.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back Its Color and Luster With Grandmother's Sage Tea Recipe. Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and lustrant; removing every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores known as "Weyth's Sage and Sulphur Hair Remedy," thus avoiding a lot of fuss. While wispy, gray, faded hair is so sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Weyth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time, or morning and night, until all the gray has disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.
